

Greetings Sacramento AAI Computer SIG members; our next meeting will be held on Thursday, November 15<sup>th</sup> at 7:00pm at the SMUD building off of highway 50 in Sacramento (full address is listed below). Remember as you enter to stop by the security desk to the right of the door and sign the entry log.

## **October Meeting**

Our thanks go to Bernard Scoville for his presentation on high yield bonds. More information about Bernard's presentation may be found on the website:

## **November Meeting, Round Table discussion will be hosted by Ron Black**

Some of you will remember Ron's presentation last year on investing research and strategy. He has agreed to come back this year and discuss what he has achieved and lead a round table discussion to allow SIG members to ask questions or discuss their own approaches to investing. Ron is not a day trader; he is a dedicated researcher of fundamental and technical data and patterns. During the meeting we will ask attendees to complete a 3X5 card with any questions, concerns or ideas they may have. Our hope is to answer as many questions and provoke as much discussion as time will allow.

This will be the 9th of nine meetings scheduled for 2012 (no meeting in July, August and December).

## **Presentation Calendar**

There are a number of months in 2013 for which we have not yet selected a topic. Please contact Bernard if you have a topic you would like to have presented or would like to present yourself.
