

Greetings Sacramento AAI Computer SIG members; our next meeting will be held on Thursday, April 18th at 7:00pm at the SMUD building off of highway 50 in Sacramento (full address is listed below). Remember as you enter to stop by the security desk to the right of the door and sign the entry log.

March Meeting:

At the March meeting, I presented some web sites and ideas on investing in dividend paying equities. More information about my presentation may be found on the website: <http://wonderfulwebwork.com/investment-info.html>.

April Meeting:

Bernard Scoville will review the Shadow Stock portfolio created and managed by AAI. This is a real portfolio which has shown outstanding performance since inception. The focus of the portfolio is micro-cap equities. The performance, including the timing of buys and sells is published on the AAI web site. Bernard has added a link on his website to the Shadow Stock portfolio. Take a moment and review the performance and you will understand why you should attend this meeting.

This will be the 4th of eight meetings scheduled for 2012 (no meeting in July, August and December).

I have received an email asking for some discussion on how AAI members track their investments and trading activities. This is an activity that all of us perform in some form and I think it would be a great topic for a SIG meeting. This meeting might also include how to cope with the avalanche of documents and locating sources of information for planning and managing estates. Will someone of our members serve as the moderator of such a discussion?

Presentation Calendar

As of this writing there are a number of months in 2013 for which meeting topics are open for suggestion. Please contact Bernard or Jess if you have a topic you would like to have presented or would like to present yourself. My thanks go to Bernard for taking the time to put this calendar together and arranging for the speakers.
