

Greetings Sacramento AAI Computer SIG members; our next meeting will be held on Thursday, May 15th at 7:pm at the SMUD building off of highway 50 in Sacramento (full address is listed below). Remember as you enter to stop by the security desk to the right of the door and sign the entry log.

Sharing a ride from Davis

Paul Gulyassy recently wrote me: "I don't drive at night. Is there anyone from Davis attending the meetings with whom I could travel and share the expense of driving? If so please send me his/her phone number". Paul is a past president of the SIG and a very knowledgeable investment contributor. Please contact Paul at junepaulg@yahoo.com if you would like to share a ride from Davis to the SIG meeting.

April Meeting

Our apologies Bernard Scoville, the meeting leader, did not attend.

May Meeting

Round the table discussion. Bring a question or a point to present as your contribution. There is an old saying in the investment industry; "go away in May". With the Dow near all-time highs is this "good advice"? With the NASDAQ 300 points below its all-time high maybe this is "good advice". Let's discuss the relative merits of the "go away" approach.

There will be four additional SIG meetings in 2014 (no meetings are scheduled in July, August and December). The remaining meetings will be held on the 3rd Thursday of each month.

One final note. If you are receiving this monthly meeting notice but are not interested in attending please send me an email with the word Remove in the subject box. I will be happy to remove you from the mailing list.
