AGENDA:

Thursday, April 26: Round the table suggestions, questions, and discussion.

Then:

Ron Black will provide an overview of the AAll software program, Stock Investor Pro. SI Pro contains about 1500 data fields for about 7000 individual stocks, mostly fundamental data like PE, ESP, Profit, etc. Ron will explain the capabilities of the program, and how you might want to use it to help you with stock selection.

If you are receiving this monthly meeting notice but are not interested in receiving these notices, please send me an email with the word **Remove** in the subject box. I will remove your name from the mailing list.
