

Greetings Sacramento AAI Computer SIG members; our next meeting will be held on Thursday, March 21st at 7:00pm at the SMUD building off of highway 50 in Sacramento (full address is listed below). Remember as you enter to stop by the security desk to the right of the door and sign the entry log.

February Meeting:

Thanks go to Ron Black for his presentation on when to sell and the research he conducts when looking for investing opportunities. More information about Ron's presentation may be found on the website: <http://wonderfulwebwork.com/investment-info.html>. Thanks also go to Bernard for maintaining the web site and featuring the presentations given at the SIG.

March Meeting:

Due to illness Peter Damiano will not be able to present his information on Vector Vest.

Instead Jess Wilson will present information on the web site featuring Dividend Champions, Contenders and Challengers. We'll look at the wealth of information available on this web site. We will also look at the AAI Dividend program. As time allows, we can discuss the pros and cons of selecting stocks with higher growth rates versus stocks with higher dividends.

This will be the 3rd of eight meetings scheduled for 2012 (no meeting in July, August and December).

Presentation Calendar

As of this writing there are a number of months in 2013 for which meeting topics are open for suggestion. Please contact Bernard or Jess if you have a topic you would like to have presented or would like to present yourself. My thanks go to Bernard for taking the time to put this calendar together and arranging for the speakers.
