

Greetings Sacramento AAI Computer SIG members; our next meeting will be held on Thursday, September 20th at 7:00pm at the SMUD building off of highway 50 in Sacramento (full address is listed below). Remember as you enter to stop by the security desk to the left of the door and sign the entry log.

June Meeting

Our thanks go to Om Kolluri for his presentation on the Better Investing Toolkit 6 program. His demonstration of the research and analysis available on the program benefited all of us. More information about Om's presentation may be found on the website: <http://wonderfulwebwork.com/investment-info.html>. Thanks also go to Bernard for maintaining the web site and featuring the presentations given at the SIG.

September Meeting, Dividends, Dividends, and Dividends

Tom Phayer will update us on dividend investing. He will present the sources and analysis he uses for his own research, the need for diversity among sectors and asset classes, as well as the benefits of dividend reinvesting and compounding. Time allowing Tom will discuss the pros and cons of preferred stocks, utilities, REITs and general growth stocks. Come prepared with your questions and ideas.

This will be the 6th of eight meetings scheduled for 2012 (no meeting in July, August and December).

Ride Sharing

The SIG has a member in Auburn who is anxious to find another to sharing driving to the SIG meetings. If you are interested please send me a note and I will pass your interest along.
