

Mary, Ron, and I all gave pointers for beginning investors.

We also gave suggestions for current investing. We also planned our 2018 meetings. Ron, our favorite speaker, will give us a technical lesson at every meeting. We will meet at the South Natomas Library at 2701 Truxel Road in the Meeting Room. Since we could not get the room in January, we will meet at 6:00 pm on third Thursdays starting February 15, 2018.
